

Voting Process

In order to give equal weight to each quarter's programming Sportsman Channel has designed a unique voting and nomination process that gives you the viewer complete and ultimate say in choosing your favorite shows and personalities.

The process is as follows:

- Four (4) nominating periods; one in each quarter of 2010. The proposed time periods for accepting nominations will be February, May, August and November of 2010.
- The top three (3) nominations in each period from each of the five (5) categories (Viewer's Choice Hunt Show, Shoot Show, Fish Show, Combination Show and Personality) will advance to a final voting period to be held in December of 2010.
- In order to be eligible for nomination a show must appear on the network in that quarter.
- Total nominations for the final voting period will be twelve (12) shows or personalities in each of the five (5) categories.
- The final voting period in December will decide the 2010 Sportsman Choice Award winners.
- Viewers may vote only one time in each of the four (4) nominating periods and once in the final voting period.
